

Clinical Practice Guideline (CPG) Index

2014

CPG Topic/Title	CPG ID
Acoustic Trauma and Hearing Loss Information Paper	5
Acute Respiratory Failure	6
Amputation	7
Airway Management	39
Anesthesia	40
Blunt Abdominal Trauma	9
Burn Care	12
Cervical & Thoracolumbar Spine Injury: Surgical Management and Transport	15
Cervical Spine Evaluation & Non-Surgical Management	14
Compartment Syndrome (CS) and the Role of Fasciotomy in Extremity War Wounds	17
Concussion/Mild TBI in Deployed Setting (Policy Guidance/Management)	19
Electronic Documentation	43
Fresh Whole Blood (FWB) Transfusion	21
Frozen Blood	26
Head Injury (Severe)	30
Head Injury (Catastrophic, non-survivable)	13
High Bilateral Amputation	22
Hypothermia Prevention	23
Infection Control	24
Inhalation Injury and Toxic Industrial Chemicals	25
Intratheater Transfer and Transport	27
Invasive Fungal Infection in War Wounds	28
mTBI in the Deployed Setting (MRI Use/Management)	44
Neurological Management	32
Nutritional Support of the Traumatically Injured Patient	33
Ocular and Adnexal Injuries by Non-Ophthalmologists at Role 1, Role 2, and Non-Ophthalmic Role 3-Initial Care	3
Pain, Anxiety and Delirium	29
Pelvic Fracture Care	34
Post Splenectomy Vaccination	35
Prehospital Trauma Care in the Tactical Setting	2
Radiology: Imaging Trauma Patients in a Deployed Setting	1
Resuscitation Record	11
[Damage Control] Resuscitation at level IIb/III Treatment Facilities	18
Resuscitative Endovascular Balloon Occlusion of the Aorta for Hemorrhagic Shock	38
[Emergent Resuscitative] Thoracotomy	20
Deep Venous Thrombosis - Prevention	36
Trauma Flow Sheets & Electronic Documentation	8
Unexploded Ordinance Management	41
Urologic Trauma Management	42
[Wartime] Vascular Injury	46
Ventilator Associated Pneumonia	45
[Military] Working Dogs (Clinical Management)	16
War Wounds	31
